

# Study & Farm Experience

- ❖ IMPROVE YOUR ENGLISH
- ❖ LEARN HOW A FARM WORKS
- ❖ LIVE WITH A FARMING FAMILY
- ❖ EXPERIENCE THE REAL NEW ZEALAND

New Zealand is world famous for its beautiful, productive farms. The best way to experience this unique way of life is to live it yourself on one of over 400 farms around the country. After you finish your English course with us (we require a minimum 4 weeks study), or during your holidays, LANGUAGE SCHOOLS NEW ZEALAND will arrange your farm experience. You choose what part of New Zealand you would like to visit and what kind of farm you would like to live on, and you can stay from three days to two weeks.

Your room and board are free in exchange for 4 to 6 hours of help per day. Your English will improve, as you will be living with, and helping the family. In addition, you will have a unique and exciting experience. Minimum age for Farm Experience is 18 years old.

To join this programme you will need to have **Intermediate English skills** and **be prepared to work hard to help the farmer on the farm.** **THIS IS NOT A FARM HOLIDAY.**

LANGUAGE SCHOOLS NEW ZEALAND provides membership in a farm help organization, book one farm for you and help to arrange your transport. **(the cost of transport is not included)**

**All this for a fee of \$300  
(\$100 for each extra farm)**
