Our levels and curriculum

Our curriculum is based on the levels of the Common European Framework of Reference for Languages. The CEFR was put together by the Council of Europe and is used all over the world as the standard for grading individuals' language proficiency.

The CEFR descriptors indicate the proficiency that students should achieve at each level. The table below includes a summary, and includes comparable levels of other common standards.

Students are thoroughly tested on their first day so they can be placed in the most appropriate level for their needs. Completing one level usually takes about 8-12 weeks but with students' effort, involvement and motivation this can also be achieved in a shorter period of time.

Our English Only policy

The best way to learn English is to speak only English, so it is our policy to insist that everyone always speaks English in the classroom and around the school, except for emergencies or beginner students.

Our accreditation and memberships

We are accredited by the EFL Monitoring Board and are founder members of FELTOM and full members of ALTO. We are an authorised Cambridge English centre for the internationally renowned CELTA and DELTA teacher training courses.

Our *teaching*

English lessons are at the heart of our business, and we have over 30 years' experience in teaching English as a foreign language. Our teachers are skilled at tailoring our lessons to make them engaging and dynamic while meeting the needs of each student.

How we support and motivate our learners:

- We offer a personalised approach to every student.
- We empower students by providing them with individual study plans.
- We promote learner independence.
- We test students regularly and give them feedback on their progress.
- We offer regular tutorials to support our students in the process of learning.
- We keep classes small and intimate, no more than 12 students.

Learning *in and out of school*

We believe that the best way to learn English is to put it into practice. This is an example of a typical day for a General English student at IELTS: it is filled not just with lessons, but also with opportunities to use your new language skills while meeting new friends and exploring Malta.

Everyday *English*

Our General and Intensive English courses are designed to give a good grounding in relevant, modern English in order to provide you with confidence and ability in a wide range of day-to-day situations.

Long-stay Advantages

General and Intensive English can be studied for up to 52 weeks at IELTS schools, subject to visa restrictions. Regular tutorials, progress tests and reports help students set and achieve short and long-term goals. Dedicated tutors help to plan study time to make sure that free time is spent feeling relaxed and confident.

Of course, an IELTS long-stay programme offers much more than just lessons. Because our schools are in great English speaking locations, they are great places to practise everyday English outside of class. Spending an extended period of time in another country is an unforgettable chance to meet new friends and get to know what it is like to be a local.

Discover Malta

Maltese people are known for hospitality, warm-heartedness and typical Mediterranean friendliness, making Malta one of the most visitor-friendly countries in Europe.

Malta has adopted a number of traditions which were brought to the island by the British: English tea, red letter boxes and telephone kiosks, left-side driving and the English language are now integral parts of Malta's culture and life-style.

Sliema

Sliema was once a fishing village and is now a popular upmarket commercial seaside town on the east coast of Malta. The area is full of restaurants and leisure places as well as some modern shopping arcades and numerous hotels.

Sliema's promenade is one of the most popular social meeting places in Malta, and is a great place to stroll and to relax.

Sliema is a short ferry ride across the harbour to Valletta, and direct buses run from Sliema to all parts of the island.

Cultural Malta

For those interested in the cultural side, the Maltese islands have numerous monuments, temples and churches, many of which can be explored with the help of our local guides.

Action and adventure

With such a great climate, there is a wide variety of land and sea sport facilities available on the island. Please check with our Leisure desk for available options!

Excellent food

Cuisine in Malta is a taste of the islands' multicultural heritage, and local restaurants offer a creative selection of tempting dishes.

Great nightlife

Nightlife in Malta is diverse, exciting and relatively inexpensive. The towns of St Julian's and Paceville are famous for their great atmosphere. Bright lights, lively music and enthusiastic clubbers await you at one of Europe's top nightlife hubs.

Enjoying a barbecue at Malta's beautiful beaches is also one of the most popular evening activities. For a traditional evening's entertainment, the mix of fireworks and village band marches transform a night into an event during one of Malta's many summer 'festas'.

Enjoy the water

We offer a choice of off-shore leisure programmes which can be added to any course in Malta:

Diving

- Try Dive (2 hour taster session)
- 4 to 5-day PADI Open Water & PADI Advanced courses or a two-hour taster session are available.

Explore with IELS

Learning English should be fun and IELS employs a professional and dynamic leisure team, which offers a wide range of interesting and fun-filled activities as well as excursions and sports. These include parties and trips to places of interest such as Valletta, the island's capital; the ancient fortified city of Mдина; the beautiful Blue Grotto and the island of Gozo.

Discover Gozo

Gozo is Malta's sister island. It is greener, more rural and smaller than Malta and has its own distinct character and relaxed atmosphere. Ghajnsielem is a tranquil and picturesque village within walking distance of Mgarr Harbour where ferries run regularly to and from Malta.

It is the perfect place to unwind, yet offers plenty of things to do. Malta's sister island is just a half-hour ferry ride away from Malta's northernmost tip.

Be spoilt for choice with quaint shops, places to eat delicious local food, vibrant nightlife and much more.

The island's picturesque towns and villages still uphold many traditions. The countryside has an amazing variety of scenery, from rocky hillsides, past carob trees and prickly pears, through quiet valleys to wind-swept cliffs and down to salt pans and beaches.

Find a place to relax

Gozo offers lots of opportunities for sunbathing, and our team will show you where to find the best beaches. We organise regular boat trips around Gozo, to Comino or to the mainland of Malta. For those interested in culture, Gozo has countless monuments, temples and churches, and we will show you the highlights on our excursions.

Explore the coast

Gozo's coastline is rich with inlets and coves, with crystal clear waters all around, making it the ideal place for diving: we offer diving excursions as well as diving courses which can be combined with any of our English programmes!

Enjoy good food

Ghajnsielem has good places to dine, and it is close to Mgarr Harbour with its lively choice of bars and restaurants. We organise trips to local bars as well as our own barbecues on the roof of the school.

Visit Malta and Comino

To explore further, take a short ferry ride to Malta, with its own attractions, or a boat trip to the island of Comino. We regularly run excursions to each island.

“ We went on lots of different activities ...
 ...and visited many places but the most beautiful for me were Xlendi and Mgarr ix-Xini as they are also the nearest beaches without any tourists. This small island and the school are a good combination for studying and having really nice holidays.
